

# International Women's Day 2017

## Women Inspiring Women

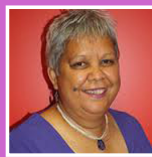

Manningham City Council, in partnership with the Food for Thought Network, presents an afternoon of inspirational dialogue from remarkable women.

The 2017 theme for International Women's Day #BeBoldForChange calls upon men and women to join forces and be leaders within their own spheres of influence to take bold, pragmatic action in accelerating gender parity.

Join us for an extended luncheon and be inspired by our distinguished guest speakers and their commitment towards gender equality.
