

AUSTRALIAN LOCAL GOVERNMENT WOMEN'S ASSOCIATION

NORTHERN TERRITORY BRANCH

From the President

Planning is powering ahead for our first networking event outside the metropolitan area. We will be hosting a brunch in Katherine and hope to attract members and friends from Katherine Council and Vic Daly and Roper Gulf Shires.

As the key note speaker I hope to explore some of those tricky problems that Elected Members and Staff may find themselves facing. I encourage all ALGWA NT members to attend and to activate your networks towards encouraging attendance.

The NT continues to kick goals for gender equality with a new Council being sworn in at Litchfield and excitingly, the Council of five includes four women, including the mayor. The newly appointed CEO is also a woman.

On the national front, we have had several National Board Teleconferences mainly about the governance arrangements for the 50/50 Gender Equity Program.

The National AGM will be held in April.

See you in Katherine on the 27th!

Katrina Fong Lim

A good read: Ten things successful women do

Marina Go from Women's Agenda: *Every woman has her own definition of success. That is the beauty of choice. I have always defined success as the ability to achieve the goals that I have set myself. Success is personal but in my experience and according to the evidence I have gathered through my interactions with successful women during my 30-year career, the path to achievement has a number of commonalities.*
